## CT-12 w/HEPA Spot Cooler

### Hospitals & Healthcare

When you need the ultimate in purifying portable air conditioners look no further than ClimaTemp. ClimaTemp HEPA spot coolers are engineered and designed specifically for use in Hospitals and the Healthcare environment. Our (IAQ) line of portable air conditioners use passive HEPA filtration to filter out harmful viruses and bacteria. Our HEPA spot cooler is the only portable air conditioner to be efficacy tested on particulate and microbial removal by a 3rd party independent lab. For safety, all of our products are UL2998 Certified Ozone Free and safe for use around people and all applications.

Applications Include...
